

1955-1957 FULL SIZE CATALOG

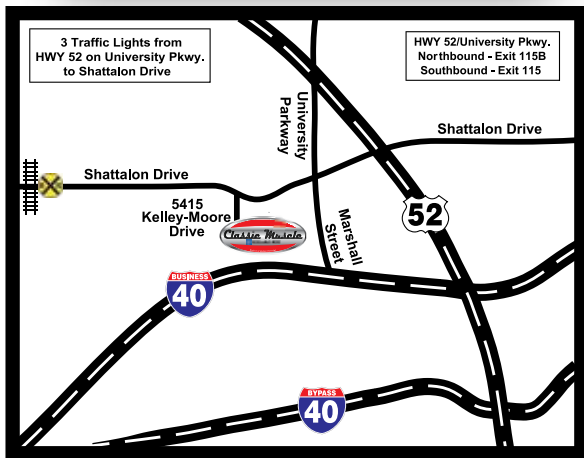

Classic Muscle Restoration Parts

BUSINESS HOURS: 8:00 am - 5:30 pm • Monday - Friday
University Parkway to Shattalon Drive to the end of Kelley-Moore Drive

We feel the best method of ordering parts is by telephone, so call our toll free number:
1-800-722-4828

As a major General Motors wholesale dealer, we stock thousands of new GM and reproduction restoration parts.

Toll Free: 1-800-722-4828

You can call us toll free
Monday through Friday
8:00 am to 5:30 pm (EST)
Please have all information ready in order for us to handle your order promptly.

Fax: 336-727-4856

You can fax us your order
7 days a week / 24 hours a day.
Please include all information in order for us to handle your order efficiently.

5415 Kelley-Moore Drive Winston-Salem, NC 27105

Mail us your order and please include all necessary information for us to process your order correctly.

www.classicmuscle.com

Look us up online! We have an extensive number of pictures of most of our parts and technical diagrams for your convenience!

Modern Chevrolet Company has been in business under the same ownership since 1933 and has one of the largest parts departments in the General Motors organization.

Our stability, size and commitment to service should make us your first stop in search for quality restoration parts.

Direct Source for GM Parts

As a major General Motors wholesale dealer, we stock thousands of new GM and reproduction restoration parts. We are constantly adding new parts to our inventory and attempt to never be out of normal stocking items. We will advise you of out-of-stock items at the time of your order.

Competitively Low Prices

Our volume buying means that we receive the lowest cost from our suppliers. We pass this on to you and always attempt to offer the **lowest overall** prices in the restoration business. Catalog prices are subject to change without notice. (We only increase prices when there are increases by our suppliers).

Quality Parts

We use only new GM and high quality reproduction parts, and constantly review our vendors to insure that we are buying the best parts available for any application.

Prompt Customer Service

In case of a problem, we will take care of the situation immediately. While we may need some help from you on handling damaged shipments or shortages (see Ordering Information & Return Policies on the back of the order forms), we do not hold up shipping a replacement part while waiting on claim results from the delivery company.

Look for the MADE IN USA Logo. Some include the flag if the description line gives us enough room. With or without the flag means the same thing. As you know from shopping Wal-Mart, Target, Best Buy, etc., USA is hard to find. We try to offer MADE IN USA parts when possible. We rely on information from our many suppliers regarding country of origin, so please let us know if you receive a part we mark USA that is obviously imported so we can correct our listing.

Understand, we offer many correct high quality reproductions and in many cases there is no USA alternative. We just want to offer and designate parts made in our country as much as possible.

NEED A PICTURE?

www.classicmuscle.com

Each year specific catalog is available for download on our website! Find your specific part from our catalog or website.

Go to the search box and type in the part number exactly as it is in our catalog (dashes, letters, etc.) and it will display a picture of that part. If we do not picture the part you are looking for, please let your sales rep know or e-mail us at: classic@modernauto.com

The **#1** SOURCE for Authentic
Chevrolet Restoration Parts!

ORDERING INFORMATION

Please Read Carefully!

Customer Number

Please have your customer number available when calling. If you are a first time caller, once you have placed an order, you will be assigned a customer number for future references. The customer number helps us to identify you if there is more than one customer with the same name. This will eliminate any confusion and allow our personnel to access and process your order more efficiently.

Catalog Number

In order for us to serve you better, please supply us with the catalog number on the front cover or at the top of the order forms in the back of the catalog. This will enable us to send you an updated catalog with your order.

Credit Card Payment Method

If you are planning to use a credit card for payment, please have credit card type, number and expiration date ready when calling so that your order is processed in a timely manner and will not create any unnecessary delays.

Ordering Parts

Most all products listed in our catalog have part numbers. Please have a list of these part numbers ready before calling to place an order. Having these part numbers available will speed up the ordering process. You can order over the phone with a credit card or place prepaid orders by phone to insure accuracy. If you prefer, you can mail or fax credit card & prepaid orders using order forms in the back of the catalog. NC residents, add 7.75% sales tax. Personal checks will be held 15 days to clear.

Prices

Every attempt is made to insure accuracy of prices at time of catalog printing. However, all prices are subject to change without notice. Before placing your order, if you would like, ask your sales associate to call out current computer prices as you order each item. **Ask one of our salesmen about volume discounts!**

**ORDER FORMS
AND RETURN
REQUEST FORMS
IN THE BACK OF
THE CATALOG!**

The image shows a sample of the 'ORDER FORM' from Classic Muscle. It includes fields for 'PLEASE GIVE US YOUR STREET ADDRESS', 'PLEASE TELL US ABOUT YOUR CAR', 'PAYMENT METHOD', and 'IMPORTANT!' notes. There is also a table for listing items with columns for 'PART NUMBER', 'DESCRIPTION (please include details)', 'QTY', 'PRICE', and 'TOTAL'. The form is titled 'CLASSIC MUSCLE a division of MODERN CHEVROLET'.

©1995-2014 Classic Muscle from Modern Chevrolet. All rights reserved. This publication or any part thereof may not be reproduced in any form without written permission from Modern Chevrolet. Any errors in application, description, prices, part numbers or diagrams are subject to correction. All prices are subject to change without notice. Please ask your sales representative to verify price.

NOTICE:

When placing an order, always present your catalog number located on the front cover to the salesperson to verify that your catalog is current. Current catalogs can be packaged with your order at no cost. We are constantly adding new parts, therefore on average, we update catalogs regularly during the year.

Just A Reminder!

PRICES

Every attempt is made to insure accuracy of prices at time of catalog printing. However, all prices are subject to change without notice. Manufacturers change prices daily, which can influence our sale prices. For the most up to date prices, PLEASE SEE OUR WEBSITE: www.classicmuscle.com or call one of our sales associates at 1-800-722-4828.

ORDERING PARTS

Most all products in our catalog have part numbers. Please have a list of these part numbers ready before calling to place an order. You can also order parts using our website. This is the simplest and quickest way to get up to date listings and pricing. We also run promotions and discounts on the website throughout the year.

SHIPPING

We offer shipping via Fedex, UPS and USPS. We also offer LTL Truck Freight for those items too large for ground service. Freight charges are based on actual weight plus any required special packaging. There is an additional charge for oversize packages.

LTL Truck Freight shipments must be inspected at time of delivery.

RETURNS

Before returning any part, you must call us for a "Return Authorization Number." Any package returned without this number will be refused. Please see the "Return Authorization" page in the back of this catalog or on our website for more information on returns.

PARTS

Any part number in our catalog that ends with the letters "GM" is a genuine GM part. If a number does not end with these letters, it is a reproduction part. If a part is being reproduced in more than one quality and there is a significant price difference, we will offer you both choices in this catalog. If there is no significant price difference, we only offer you the best choice!

Some reproduction parts are licensed by GM to be GM Restoration Parts, although this does not have much, if any, impact on the quality of these parts. Just because a part is a GM Restoration part does not guarantee that it is the best reproduction made. Even if a part is a GM Restoration Part, it's part number still does not end with "GM" in our catalog.

Thank you for your business!

Radiators

***Note: If you have internet access, we suggest that you look at radiator specs on our web site. This will give you a diagram of the radiator including all measurements. If you don't have internet, we can mail pictures of the radiators if there is any doubt regarding the correct radiator for your application.**

How To Measure A Radiator

Measure only the core in order to determine the size of the radiator. Always measure the height with the tubes (the direction of the coolant flow). To determine the width, measure the core only. Do not include the side channels or mounting brackets.

To measure core thickness, use a small diameter wire and insert it through the core until the end is flush with the other side. Hold the wire flush to the core with your thumb and forefinger, remove the wire and measure it. Length of the wire from thumb and forefinger to end will equal the core thickness.

***Note: Please specify automatic vs manual transmission, factory air vs non air and desired cores when placing your order.**

ALUMINUM RADIATORS (U.S. Radiator)

***Note: While others piece together an aluminum radiator or boast about rib patterns that are little more than dimples on flat stock, U.S. Radiator's Desert Cooler all - aluminum performance radiator line is meticulously engineered for form, fit and high performance cooling. Each components is precisely die stamped in accordance with original equipment look and fit and engineered for maximum cooling and durability. Radiators consist of 2 rows of 1" tubes, die stamped tanks, all-aluminum core (no epoxy), 18 fins per inch high efficiency core.**

- Pedal Extension

All rear conversions include:

- Rotors
- **New** Loaded Calipers
- Brackets & Spacers
- Hardware
- Flex Hoses
- E-Brake Cables

This page includes standard kits with 9" Slimline Booster. See following pages for upgrades and options.

The Brake Line Kit

Put the finishing touch on your disc conversion with a pre-bent line set. This kit includes everything you need to plumb your new disc brake system from front to back. **These special prices are available only with the purchase of a complete disc brake conversion kit.** Upgrade your front hoses to braided stainless and get the rear upgrade for free! Specify year and model when ordering.

- Front Brake Line Kit
- Front to Rear Line
- Rear Axle Lines
- Rear Flex Hose
- Clip Set

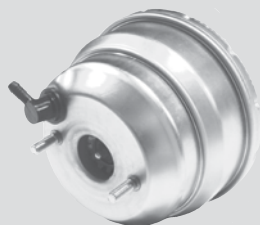

FSCOM - OM Line Kit . . . \$95.00

FSCSS - Stainless Steel Line Kit . . . \$145.00

FHSS - Front Braided Stainless Hose Upgrade - \$40.00

FHSS4 - Braided Stainless 4 Wheel Stainless Hose Upgrade - \$80.00

Recommended Booster

8" Dual Slimline Booster

Best fit for 55-57 GM. The small size is great for a number of applications and the dual diaphragm gives a good amount of assist.

RPB8531U Free* (Also available in Chrome, See Below)

There are a few important things to consider when choosing a booster. You need a minimum of 16-18 inches of vacuum for the proper operation of any size booster. No vacuum, No power assist! A larger diaphragm will generate more assist given the same amount of vacuum. Adding a second diaphragm will increase assist 25-30%.

We highly recommend the 8" Dual Slimline booster pictured above. It has a clean look and is one of the more powerful booster we carry. If you need more room to clear a big block, try a 7" Dual Slimline or for a different look a 9" Delco Style.

7" Dual Slimline

A good booster when room is tight. Great for BB cars with tall valve covers. Roughly the same assist as a 9" single.

RPB7537U	Standard Gold.....	No-Charge Upgrade*
RPB7537CU	Chrome Plated.....	25.00* ea.
RPB7537SU	Polished Stainless.....	60.00* ea.

8" Dual Slimline

Our most powerful "Slimline" booster. 10%-15% more assist than a 9" single. Compact to fit most applications.

RPB8531U	Standard Gold.....	No-Charge Upgrade*
RPB8531CU	Chrome Plated.....	25.00* ea.
RPB8531SU	Polished Stainless.....	60.00* ea.

9" Single Slimline

Nice clean looks and performance that won't disappoint. A good choice if you're undecided on which booster is right for your car.

RPB9002U	Standard Gold.....	No-Charge Upgrade*
RPB9002SU	Polished Stainless.....	60.00* ea.

9" Single Delco

Factory "correct" for 64-66 GM. Used in 67+ for an original look w/o the room for an 11" booster. Available with or w/o Delco stamping.

RPB9021U	Standard Gold.....	No-Charge Upgrade*
RPB9021CU	Chrome Plated.....	25.00* ea.

Booster Brackets

Most 55-57 Chevys use short brackets (BBK002). The high-rise bracket (BBK006) is used to clear tall valve covers and big blocks.

BBK002	Short Booster Bracket (pr)	No-Charge Upgrade*
BBK002S	Short Booster Bracket, Stainless	30.00* pr.
BBK006	High Rise Booster Bracket.....	65.00* pr.

* Upgrade price with purchase of any GM power disc conversion kit

2" Drop Spindles

Drop spindles allow you to get the look you want without changing ride characteristics or suspension geometry. Our spindles are cast with caliper brackets and steering arms in one assembly.

55-57 DSP5557U 2" Drop Spindles 209.00* pr.

Performance Brake Pads

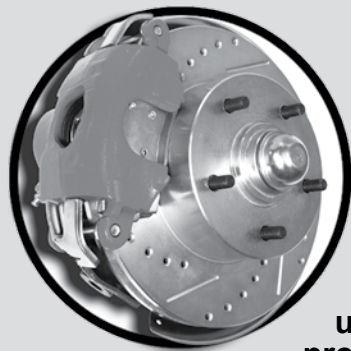

55-57 PP01U Front Graphite Metallic Pads 25.00* pr.
 55-57 PP02U Rear Graphite Metal..... 25.00* pr.

* Upgrade price with purchase of any GM disc conversion kit

Big Brake Upgrade

This upgrade features larger calipers than our standard kit with nearly 30% more pad area. You'll need at least 15" wheels to clear these big brakes.

55-57 BBK55 Big Brake Upgrade** 75.00* set

Show'n Go Package

Powdercoated calipers and drilled/slotted rotors with zinc plating. Specify caliper color when ordering: Red / Black / Clear

SG01U - 2 Wheel Show'n Go Package 100.00**

SG02U - 4 Wheel Show'n Go Package 200.00***

Get the looks of a high end brake kit without the high price. This upgrade includes powdercoated calipers and drilled/slotted rotors with protective zinc plating. You won't want to hide these brakes behind a small factory wheel!

** Price w/ front conversion purchase *** Price with 4 wheel conversion purchase

NEED A PICTURE?

www.classicmuscle.com

Each year specific catalog is available for download on our website! Find your specific part from our catalog or website.

Go to the search box and type in the part number exactly as it is in our catalog (dashes, letters, etc.) and it will display a picture of that part. If we do not picture the part you are looking for, please let your sales rep know or e-mail us at: classic@modernauto.com.

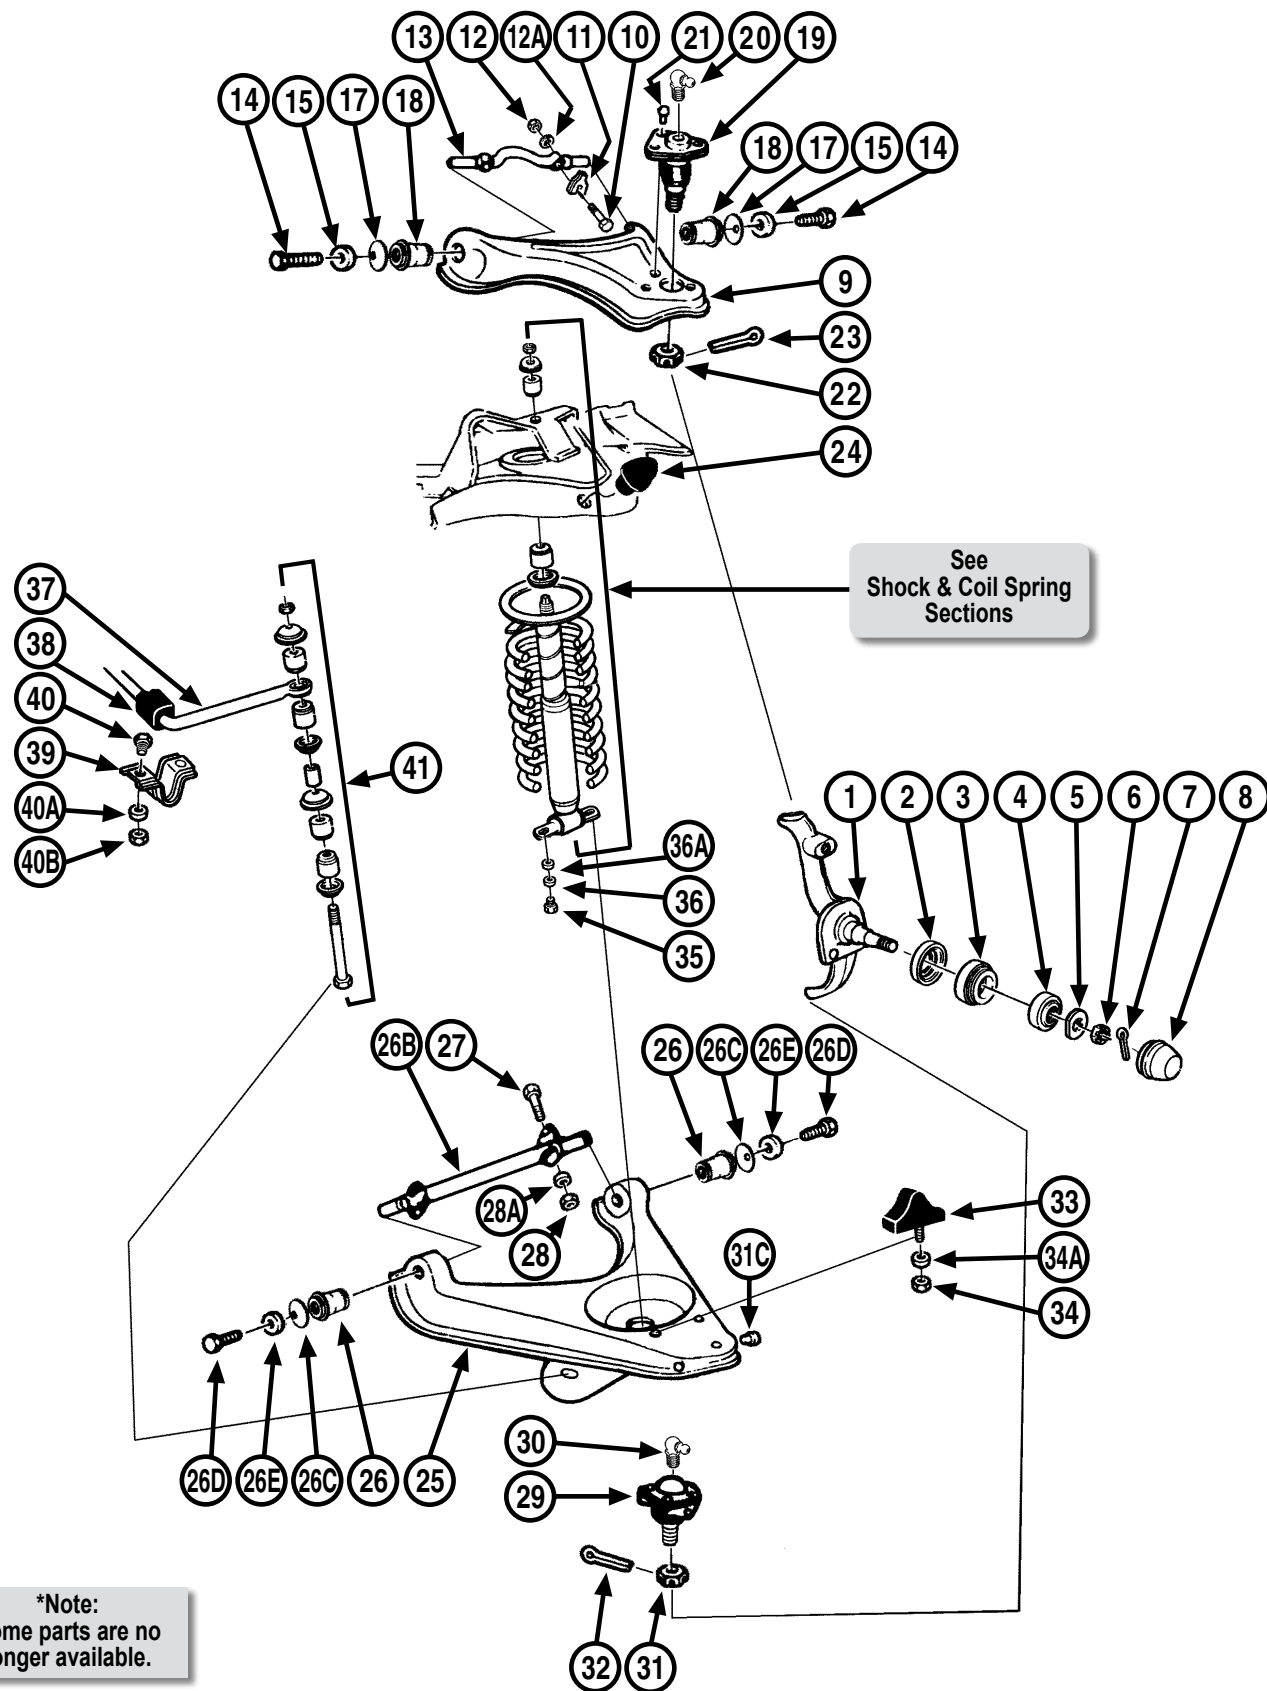

SECTION 6 - SUSPENSION & STEERING

Each text section pertains to a detailed diagram. Find the number of the part you need in the illustration and go to the text section to find the correct part number for your application.

NOTE: If a number from the diagram is not listed in the text section that part is no longer available as far as we know. Since we list all parts that we have available, our sales personnel are not able to help you find parts that are not listed in the catalog.

Front Suspension

*Note:
Some parts are no
longer available.

Front Suspension

FRONT END KITS

Note: Individual parts are listed on the following pages. We are not able to break parts out of the kits. Also, individual parts from the kits are non-returnable. You would need to return the entire kit.

55-57	BP003	Front End Rebuild Kit.....18 piece	215.00	kit
55-57	BP004	Front End Rebuild Kit.....18 piece (Polyurethane)	245.00	kit
55-57	BP005	Front End Rebuild Kit.....16 piece with Power Steering	195.00	kit
55-57	BP006	Front End Rebuild Kit.....16 piece with Power Steering (Polyurethane)	245.00	kit

Standard rubber kits meet O.E. specifications. Polyurethane Kits provide better handling and firmer ride. Poly kits include upgraded control arm bushings, sway bar bushings and sway bar links.

MOST KITS INCLUDE THE FOLLOWING:

2 Lower Ball Joints	2 Inner Tie Rods
2 Upper Ball Joints	2 Tie Rod Adj. Sleeves
4 Lower Control Arm Bushings	4 Upper Control Arm Bushings

1 - SPINDLES/KNUCKLES

55-57	3713906	Custom 2" drop spindles with caliper brackets)	231.00	pr.
-------	---------	---	--------	-----

***Works with most 14" wheels & accepts 79-81 Malibu Rotors & 82-93 S-10 Calipers.**

2 - FRONT GREASE SEALS

55-57	3725850	Front Grease Seal.....2 req.	16.00	ea.
-------	---------	-----------------------------------	-------	-----

3 - FRONT INNER WHEEL BEARINGS

55-57	909040	Inner.....2 req.	90.00	ea.
-------	--------	-----------------------	-------	-----

4 - FRONT OUTER WHEEL BEARINGS

55	909041	Outer.....2 req.	44.00	ea.
56-57	3528GM	Outer.....2 req.	40.00	ea.

6, 7 & 8 - SPINDLE COMPONENTS

55-57	785GM	(6) Bearing Adjusting Nut (exc. 67-70 with disc brakes) ..2 req.	3.27	ea.
55-57	50470-PS(7)	Spindle Nut Cotter Pin (stainless).....2 req.	45	ea.
55	3707121	(8) Grease Caps.....	24.00	pr.
56-57	471162	(8) Grease Caps.....	22.95	pr.

55-57 CUSTOM HUB KIT

55-57	3812712K	Roller Bearing Conversion Hub Kit	245.00	kit
-------	----------	---	--------	-----

Replaces original ball bearings with less expensive roller bearing assemblies. Fits original spindles with no machining required. Kit includes 2 hubs with studs, 2 inner bearings, 2 outer bearings, 2 grease seals, bearing washers & grease caps.

**GREAT
PRICE
\$ 179⁹⁵**

when using wider than original wheels!

9 - UPPER CONTROL ARMS

55-57	37338090	Custom Tubular Upper Arm Set (includes ball joints, shafts, bushings) (assembled)	365.00	pr.
55-57	111-158	Custom Tubular Upper/Lower Arm Set (includes ball joints, shafts, bushings) (stainless) (assembled)	825.00	set
55-57	BP086	Stock Complete.....	195.00	pr.
55-57	BP087	Stock Complete with Poly Bushings	215.00	pr.
55-57	BP088	Stock Complete with Added 5° Caster Geometry	195.00	pr.
55-57	BP089	Stock Complete with Poly Bushings with added 5° Caster Geometry	215.00	pr.

10, 11, 12 - UPPER CONTROL ARM HARDWARE

55-57	381909	(10) Upper Arm Bolt.....4 req.	3.75	ea.
55-57	3722853	(12) Upper Arm Nut	.25	ea.
55-57	103328	(12A) Upper Arm Nut Lock Washer ..4 req.	.50	ea.

13 - UPPER CONTROL ARM SHAFT KITS

***Kits include shaft, bushings & hardware.**

55-57	3713902R	LH/RH	2 req.	70.00	ea.
-------	----------	-------------	-------------	-------	-----

14, 15, & 17 - UPPER CONTROL ARM SHAFT HARDWARE

55-57	PK4474K	Upper Control Arm Washer Kit (14, 15, 17) (includes 4 washers, 4 lock washers & 4 bolts).....	12 piece...	19.40	kit
-------	---------	---	-------------	-------	-----

18 - UPPER CONTROL ARM BUSHING

***Note: All bushings include the correct steel sleeves. All bushings are made of O.E. type materials.**

55-57	RP1236	Rubber Bushing	4 req.	6.00	ea.
-------	--------	----------------------	-------------	------	-----

19 - UPPER CONTROL ARM BALL JOINTS (includes hardware)

55-57	791V	Upper LH/RH	2 req.	25.00	ea.
-------	------	-------------------	-------------	-------	-----

20, 21, 22 & 23 - UPPER CONTROL ARM BALL JOINT HARDWARE

55-57	4509GM	(20) Grease Fitting	2 req.	5.16	ea.
55-57	3707105	(21) Ball Joint Rivet	6 req.	Disc.	
55-57	RP1239	(22) Ball Joint Nut.....	2 req.	2.00	ea.
55-57	50470-PS(23)	Cotter Pin (stainless).....	2 req.	.45	ea.

24 - UPPER CONTROL ARM BUMPERS

55-57	3722380	Upper Bumper.....	2 req.	6.00	ea.

SECTION 8 - WIRING HARNESSES

"Factory-Fit harnesses are the standard by which all others are measured!"

The premier manufacturer of quality wiring harnesses for General Motors vehicles from 1955 thru 1980.

Factory-Fit® wiring harnesses has become widely known as the symbol of excellence in reproduction wiring components. When the Factory-Fit® logo is on your wiring harness, you are guaranteed the finest reproduction wiring harness or battery cable manufactured for your car.

NO COMPROMISES • ORIGINALITY • QUALITY • AMERICAN MADE

Factory-Fit® uses original GM components and reproduces every harness to original GM specifications. Where original parts are not available, new parts are fabricated to original factory specifications. In the interest of safety and longevity, original design concepts are improved upon to provide our customers with the highest quality product available.

We will unconditionally refund the purchase price of any uninstalled or unaltered harness that does not meet the original specifications for which it was designed. Special modified harnesses are not returnable and not refundable. Special modifications made by customer design are not warranted. Returned harnesses must be in unused condition and must be in the original packaging. Failure to do so will void the return policy. Factory-Fit® warrants harnesses from manufacturing defects and will repair or replace the harness for a period of one year from the date of original purchase. The warranty applies to the original purchaser and is not transferable. This warranty does not cover delivery fees. A purchase receipt will be required. The warranty covers normal consumer use and does not cover damage which results from alteration, accident, misuse, abuse, neglect, improper installation or improper care and maintenance. Under any circumstances, the liability of the manufacturer shall be limited to the original cost of the harness paid by the customer and the manufacturer shall not be liable for any damages (consequential or incidental) which occur as a result of the use of any of our harnesses. This limit on liability may vary in your state and may have additional rights and/or remedies depending on the state in which you live.

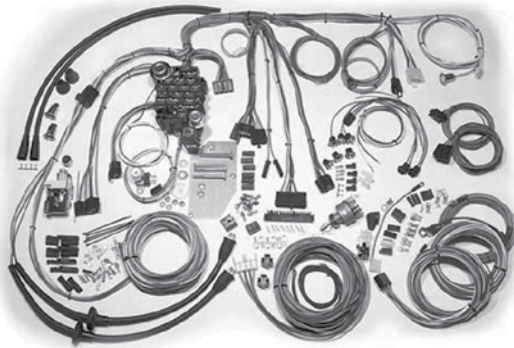

Classic Muscle stocks harnesses based on sales popularity, any non-stocked harnesses can be quickly drop shipped.

Classic Muscle realizes that some harnesses are very expensive, therefore like most all other products we offer, our prices are pre-discounted.

With Factory-Fit® quality and Classic Muscle pricing, there's no need to look elsewhere!

If you have used Factory-Fit® harnesses in the past, you are already aware of the difference in our harnesses. If you haven't, then it's time to realize that it costs no more to use the Factory-Fit® mark of excellence.

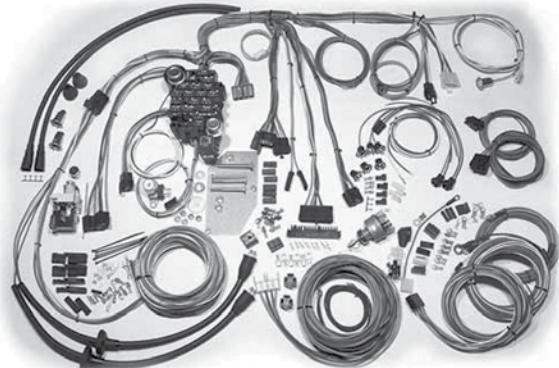

SECTION 8 - WIRING HARNESSSES

55-56 WIREKIT10 Update Harness Kit.....\$45.00 ea.

- 1- Original headlight bucket grommets, parking light weatherproof boot, tube assemblies, and light sockets are included. Extra long leads are supplied for custom routing.
- 2- Accessory disconnect provided for connections to power windows, power seats, cruise control, fuel pump, power door locks, extra radio (CB), or optional power accessory.
- 3- New floor dimmer switch is provided. Wire length and connection accommodate original floor mounted dimmer switch.
- 4- Standard turn signal flasher, hazard flasher, and horn relay mounted on fuse panel.
- 5- Fuse box and custom mounting plate are designed for bolt-on, under dash installation. All required hardware supplied.
- 6- Steering column connectors will plug directly into most aftermarket steering columns as well as 1969 and later GM columns which utilize stock GM turn signal switches. The original column can also be wired by using the supplied mating connector and terminals.
- 7- Heater control panel lighting, power, and blower motor leads are included for original style heaters as well as aftermarket heat and AC updates.
- 8- Instrument Cluster wiring is designed with a "cluster harness disconnect" system for easy service and assembly. All original terminals, connectors, and light sockets are also supplied for original cluster gauges.
- 9- Replacement headlight switch with internal circuit breaker, retention collar nut, adjustable length shaft, custom knob, extra connectors, and instructions are included.
- 10-Original design rear body weatherproof boot and tube assemblies and original design light sockets make attachment to original or reproduction tail light assemblies an easy plug-in.
- 11-Rear body harness assembly is designed to plug into the main harness in the original under dash position utilizing existing retention clips. License plate connectors and terminals included. Fuel tank sender wire and terminal included. Special terminals included for original.
- 12-New ignition switch is included with indexed connector. Additional connectors and instructions are provided to use the original 1955-56 and 1957 ignition switches, original style door jamb switches, and overhead dome light.
- 13-Front lighting includes extra long leads for special routing when custom under hood appearance is desired. All headlight, park light, and directional light connectors and terminals are provided, as well as a switched trigger wire for electric fan relay (usually recommended with AC).
- 14-Engine wiring includes connectors for points type and HEI distributors. Power and tach connectors supplied for GM HEI distributors. Alternator connectors are supplied for GM "SI" series internal regulator and "one wire" alternators.
- 15-Engine wiring includes starter and gauge sender leads for water temp, oil pressure, and tach. Heavy 8 gauge alternator leads are supplied. Power circuits are fusible link protected.
- 16-Color schematics and easy to understand installation instructions included.

Please note: Classic Update Kits do not support Ammeters

Each year specific catalog is available for download on our website! Find your specific part from our catalog or website.

Go to the search box and type in the part number exactly as it is in our catalog (dashes, letters, etc.) and it will display a picture of that part. If we do not picture the part you are looking for, please let your sales rep know or e-mail us at: classic@modernauto.com.

NOTICE

PLEASE READ - CHECK BEFORE YOU SIGN!

Every major body part that you order is inspected prior to shipping. No body part should be considered perfect.

Sheet metal is easily damaged and small dings are considered "**normal**". No credit will be issued for parts because of minor flaws and imperfections, nor will we pay to return the part. Even factory parts have minor flaws and that cannot be controlled using mass production.

Classic Muscle always tries to package and ship your parts so that damage will not occur, but sometimes things happen beyond our control that our packaging will not protect. Always inspect your merchandise before the freight driver leaves. Just because the box looks "OK" does not mean the parts are not damaged. If any parts are damaged, you must write on the delivery receipt "**Freight Damaged**" before the driver leaves. If this procedure is not done, there is not much we can do to resolve the problem.

Classic Muscle accepts no responsibility for damaged parts. Do not return damaged parts to Classic Muscle before calling for instructions.

ALTERED PARTS ARE NOT RETURNABLE!
**PLEASE TEST FIT BEFORE SANDING,
PRIMING OR PAINTING!**

DOOR LOCK CYLINDERS WITH KEYS

**For Lock Cylinder Sets with matching keys, see Section 14.*

55-57	117-CL	Later Key with "U" Pawl.....	27.00	pr.
55-57	176-CL	O.E. Key with "U" Pawl.....	32.00	pr.
55-57	244-CL	Later Key with Flat Pawl.....	32.00	pr.
55-57	245-CL	O.E. Key with Flat Pawl.....	32.00	pr.

**The "Pawl" is the small bracket which attaches to the end of the door cylinders. The pawl is what actually reaches in and trips the latch for the door to unlock.*

In 1955-57 (2) completely different pawls were installed according to body styles. The "U" shaped pawl, which is the most common, and the "Flat" egg shaped pawl. The higher located body side moldings on some 1956 models forced (GM) to move the door lock cylinder higher up on the door. This is why many of the 1956 models used the "Flat" pawl and a different door latch assembly. When possible, it is best to check old original door locks for their specific cylinder style and pawl requirements.

Chrome Switch

SECTION 14 - LOCK CYLINDER SETS

The "Pawl" is the small bracket which attaches to the end of the door cylinders. The pawl is what actually reaches in and trips the latch for the door to unlock.

In 1955-57 two completely different pawls were installed according to body styles. The "U" shaped pawl, which is the most common, and the "Flat" egg shaped pawl. The higher located body side moldings on some 1956 models forced (GM) to move the door lock cylinder higher up on the door. This is why many of the 1956 models used the "flat" pawl and a different door latch assembly.

When possible, it is best to check old original door locks for their specific cylinder style and pawl requirements.

**Individual lock cylinders are located
in appropriate sections.**

Ignition, Door, Trunk & Glove Box Kits

(5 cylinders)

**Kit contains all cylinders coded to same key, includes 2 keys.*

55-57	420-CL	O.E. Key (doors include "U" pawl)	70.00	kit
55-57	421-CL	O.E. Key (doors include "flat" pawl)	70.00	kit

Ignition, Door & Trunk Kits

(4 cylinders)

**Kit contains all cylinders coded to same key, includes 2 keys.*

55-57	270-CL	O.E. Key (doors include "U" pawl)	60.00	kit
55-57	271-CL	O.E. Key (doors include "flat" pawl)	60.00	kit

Door, Trunk & Glove Box Kits

(4 cylinders)

55-57	179-CL	Pear Head Key	49.00	kit

55-57	554371	Black Plastic Cap	5.00	ea.
57	3738809	Manual Antenna Nut/Cap	7.00	ea.
57	3756704	Cable	12.00	ea.

NEED A PICTURE?

www.classicmuscle.com

Each year specific catalog is available for download on our website! Find your specific part from our catalog or website.

Go to the search box and type in the part number exactly as it is in our catalog (dashes, letters, etc.) and it will display a picture of that part. If we do not picture the part you are looking for, please let your sales rep know or e-mail us at: classic@modernauto.com.

Custom Autosound Radios

**Note: These radios are custom replacements for factory radios that can be installed without modifying the dash & look somewhat like they "could have been" original equipment. (1 year warranty)*

USA-2 AM/FM

**Features: 200 watts, electronic tuning, tone control, digital clock, four way fader, station pre-set, seek & scan tuning & chrome face.*

55	USA255B	All	164.00	ea.
56	USA256B	All	164.00	ea.
57	USA257B	All	164.00	ea.

USA-1 AM/FM CASSETTE

**Features: 200 watts, electronic tuning, separate bass & treble, auto reverse, digital clock, four way fader, fast forward/rewind, station pre-set, RCA pre-outs, seek & scan tuning & chrome face.*

55	USA155B	All	195.00	ea.
56	USA156B	All	195.00	ea.
57	USA157B	All	195.00	ea.

Custom Autosound Speakers

DASH SPEAKERS

55-57	1006-106	Dual 30 Watt Speaker Assembly.....	28.00	ea.
55-57	KNW1006	Dual 40 Watt Speaker Assembly.....	68.00	ea.
55-57	1006DVC	Dual 120 Watt Speaker Assembly.....	44.00	ea.

KICK PANEL SPEAKERS

**Note: Includes custom kick panels.*

55-56	KCB5/6	80 Watt Coaxial with Air Vents	118.00	set
55-56	PIOKCB5/6	120 Watt Coaxial with Air Vents	178.00	set
55-57	KCB7	80 Watt Coaxial without Air Vents	118.00	set
55-57	PIOKCB7	120 Watt Coaxial without Air Vents	166.00	set

PACKAGE TRAY SPEAKERS

Note: Includes grilles, hardware & wiring.

55-57	SPUV69	200 Watt Triaxial 6 x 9.....	69.00	pr.
55-57	KNWSPUV69	150 Watt Coaxial 6 x 9	75.00	pr.
55-57	PIOUPSP69	220 Watt Triaxial 6 x 9.....	125.00	pr.

BACKSEAT DRIVER

Note: Driver panel mounts behind the rear seat from inside the trunk and includes (2) 8" woofers, a 120 watt amp, cables & wiring.

Pre-Assembled Door Panels

There are two types of pre-assembled door panels (PAD's) available, those with plastic top rails and those with metal top rails.

Plastic Top Rails

Includes ABS plastic top rail, inner window felt, door lock rod ferrule, attaching clips, and upper and/or lower trim molding and buttons as required per model. All components are completely assembled and ready for installation.

Metal Top Rails

These require your old top rails (additional \$50 charge if not cleaned). Panels are assembled on new boards with front metal door banks, welded door nail fasteners and inner window felt (outer felts are also included). Also includes pre-sewn rear arm rest covers, windlace, front arm rest material and colored kick panels are required per model.

55 BelAir 2 Door Hardtop

Front and Rear Seat Cover Sets: Correct reproduction using proper straw pattern cloth, heavyweight vinyls & O.E. style listings. Set includes upholstery for front & rear seats and material to cover the seat caps. ****For seat components such as seat foam, seat springs, rubber bumpers, knobs, etc., see Section 16.***

ORDERING INFORMATION & RETURN POLICIES

IMPORTANT!

Before placing your order, please read the information below.

Customer Number

Please have your customer number available when calling. If you are a first time caller, once you have placed an order, you will be assigned a customer number for future references. The customer number helps us to identify you if there is more than one customer with the same name. This will eliminate any confusion and allow our personnel to access and process your order more efficiently.

Catalog Number

In order for us to serve you better, please supply us with the catalog number on the front cover or at the top of the order forms in the back of the catalog. This will enable us to send you an updated catalog with your order.

Credit Card Payment Method

If you are planning to use a credit card for payment, please have credit card type, number and expiration date ready when calling so that your order is processed in a timely manner and will not create any unnecessary delays.

Ordering Parts

Most all products listed in our catalog have part numbers. **Please have a list of these part numbers ready before calling to place an order.** Having these part numbers available will speed up the ordering process. You can order over the phone with a credit card or place prepaid orders by phone to insure accuracy. If you prefer, you can mail or fax credit card & prepaid orders using order forms in the back of the catalog. NC residents, add 7.75% sales tax. **Personal checks will be held 15 days to clear.**

Prices

Every attempt is made to insure accuracy of prices at time of catalog printing. However, all prices are subject to change without notice. Before placing your order, if you would like, ask your sales associate to call out current computer prices as you order each item. *Ask about volume discounts!*

GM Parts

Please remember, all General Motors parts in our catalog end with GM (309GM). Part numbers in any other format are reproduction items.

Returns

You must call for a Return Authorization Number. Parts cannot be used and must be in original packaging. Original packaging cannot be marked on, so put in another box to mail or ship. **We do charge a restocking fee. No returns after one year.**

ATTENTION!
**No aerosol cans on any
air freight shipments!**

Shortages

Please check your shipment against the invoice immediately and contact us in case of any shortages. Check any comments on the area of the invoice above parts listings for back ordered parts. **Shortages must be reported within 15 days of invoice date to insure credit.**

Damages

In case of damaged or open package, insure that delivery person notes this on delivery receipt. Contact the delivery company for inspection and then notify us. We must be notified of damages within five days of receipt. **Please do not refuse any delivery without a written release by the driver.**

Shipping

We offer shipping via FedEx, UPS and USPS. Freight charges are based on actual weight plus any required special packaging. There is an additional charge for oversize packages which ship at a 30 lb. weight regardless of actual weight or price. We do not have a minimum order but do charge a minimum \$6.50 shipping charge.

Truck Freight

Items too large for UPS will be shipped via common carrier. This normally includes fenders, quarter panels and skins, hoods and truck tailgates. We do require that these shipments go to a business address or in care of the carriers freight terminal. **NO C.O.D.'s!!!!**

Alaska, Hawaii & Puerto Rico

These shipments must go via UPS 2nd Day Air and will have a higher percentage freight charge than normal US shipments. **NO C.O.D.'s!!!!**

Canada

Canadian orders must be prepaid with credit card or US Funds Money Order. Appropriate export documents included with order and you are responsible for any duties at time of delivery.

International

With rare exceptions, we must ship via UPS Air Freight which is very expensive (some small items can be mailed). Orders must be prepaid with credit card or US Funds Money Order. Appropriate export documents included with order and you are responsible for any duties at time of delivery.

APO/FPO

Must be shipped parcel post with maximum size of 72" length and girth combined. Please do not send money until we can verify our ability to ship the order and give you correct amount for order including shipping.

Our salespeople are not trained automotive technicians. You should consult local automotive shops and mechanics regarding technical advice. Some technical information is included in assembly and shop manuals available in this catalog.

Personal checks will be held 15 business days to clear. Money order is preferred. Call for freight charges on motor freight shipments (engines, fenders, quarter panels & skins, hoods, roofs, tailgates) and other parts noted **TRUCK FREIGHT** in catalog.

RETURN AUTHORIZATION

DO NOT SIGN BEFORE INSPECTION OF PARTS:

Classic Muscle makes every effort to insure your parts arrive in good condition. We ask that you please inspect the contents for any damage. Please follow the procedures below in order for us to provide you with the appropriate action for your claim and the fastest customer service. If you did not receive an invoice with your order, please call immediately so we can mail you a copy.

DAMAGES UPS OR FEDEX:

If your package is lost or damaged in transit to you, or the container is broken open, please notify the carrier immediately and file a damage claim. For **UPS 1-800-742-5877**; **FedEx 1-800-463-3339** and give them the tracking number that is found on the package address label. **DO NOT** return any damaged item(s) to Classic Muscle. Save all packaging materials and the container in which your shipment arrived.

DAMAGES TRUCK FREIGHT:

Please check truck freight shipments for damage before signing the freight bill. The carrier may want to inspect the contents and will assist you in starting a claim. If you would like any parts replaced while the claim is in process, please call and reorder those items. Replacement parts will be billed to you and your account will be credited when the damage claim is finalized. Damaged parts cannot be returned without a claim number. If a damaged part is returned without filing a claim, the carrier will not be responsible and your loss will not be covered.

SHORTAGES:

Please inspect the package contents upon receipt. If any parts are missing, refer to the invoice to check for any back ordered items. If all items were shipped, please double check your package before calling to report a shortage. Once you have determined that there are parts missing, call **1-800-722-4828** to report the shortage. You must report the shortage within **15 days of receipt** of the package.

RETURNS:

Before returning any part, you must call **1-800-722-4828** for a "Return Authorization Number". Any package returned without a "Return Authorization Number" will be refused. All return items must be shipped pre-paid; **NO COD** shipments will be accepted. A copy of the invoice and the Request For "Return Authorization Number" Form below must accompany all returns. A restocking fee will apply to any unwanted items returned. There are no returns on certain special order items. Classic Muscle reserves the right to decline return of any item after **1 year from receipt**. No refunds are given for shipping charges. Items sent back for credit must be in the original package and in good condition with no markings on the outside.

REQUEST FOR "RETURN AUTHORIZATION NUMBER" FORM

(*Call your salesperson and they will issue a return authorization number.)

*Return Authorization Number: Date of Purchase: _____ Invoice Number: _____

Customer Name: _____ Customer Number: _____

IMPORTANT!

Our receiving department will not process any returns without this form and a photocopy of the original invoice.
